

## Have you....

...visited the VA LEAF website lately? Virginia's Links to Education About Forests site now has 5 on-line learning modules available free to forest landowners. Topics include: water quality, Best Management Practices, how to conduct a deed search, basic timber cruising, and basic chainsaw safety and felling. More will be posted as this year progresses. Check them out at: <http://valeaf.org/education.php>

...lost timber as a result of a storm? If so, the updated publication from the USDA Forest Service, *Income Tax Deduction for Timber*

*Casualty Loss*, may be helpful to you. Download a copy from:
