For financial aid purposes, the Winter Session is considered part of the Fall 2023 semester. The components included in the winter term are based on the combined fall and winter enrollment and will vary based on each student enrollment. The winter COA listed above is based on a 3-credit hour schedule.

Tuition and fee estimates represent direct charges that will reflect on the billing statement. There may be differences between the actual charges and these estimates based on fees specific to certain colleges, majors, courses, residence hall, or type of meal plan chosen. The remaining categories represent estimates of indirect costs for out-of-pocket educationally related expenses. The Virginia Tech Board of Visitors sets tuition, fees, and other charges annually at their fall meeting.

Virginia Tech does NOT guarantee that the aid awarded will meet the full Cost-of-Attendance (COA). You may obtain additional funding, up to the full COA less other financial aid, through Parent PLUS Loans and/or alternative/private loans.
